

SECTION 33. MISCELLANEOUS

1. Cadets are prohibited from selling or attempting to sell to other cadets insurance, merchandise, or other articles, and from lending money to other cadets at interest. Cadets may, with the permission of the Commandant, assume paper routes on the school grounds.

2. The Cadet Store (Canteen) is operated for the benefit of the Corps of Cadets and will open daily at regularly prescribed hours.

a. The taking of soft drinks in any form of container from the Cadet Store to be consumed on the campus is prohibited.

b. Cadets making purchases at the Cadet Store will not throw paper cups or containers of any kind in front of the Cadet Store or on the campus, but will place all refuse in the containers provided.

3. The Office of the Professor of Military (PMS) publishes the Corps Training Schedule weekly. It is designated to keep cadets informed of what activities are planned for the current week. All company officers, the First Sergeants, and the Platoon Sergeants are issued one of these schedules. One copy is posted on the Military Department Bulletin Board in the hall of North Barracks. Cadets are held responsible for knowing the information contained therein.

4. Personal firearms, other weapons, ammunition, firecrackers, fireworks, or other explosives are not permitted at the Academy and will not be brought by or sent to any cadet. Under exceptional circumstances, cadets who are members of the rifle team may be given permission by the Superintendent to have a special rifle or shot gun and ammunition shipped to the Commandant of Cadets for the cadet's use. The firearm will be kept in the Armory. Illegal possession of firearms or lethal weapons is considered a serious breach of discipline.

5. Holidays will be granted at such times and according to such regulations as may be laid down in orders.

6. Morning fatigue, police inspection, and guard duty are performed on holidays the same as other days.

7. Any change of address of parents or guardians will be reported by a cadet to the Superintendent's office without delay.

8. Smoking is permitted only by those cadets having the written permit of parent or guardian. Such permits will be secured or renewed annually by October 1st and shown to the Commandant for approval and record. Smoking is permitted in cadet rooms and in the Cadet Store only. Smoking is not permitted at any place in the City of Staunton, except at class dinners, parties, or at other functions where smoking is approved by the Commandant.

e. Those with allergies which prohibit their attendance in activities on Kable or Echols Field will form in front of North Barracks with books when such activities are scheduled. Every effort will be made to place such a cadet on other duties such as guard during weekends when corps activities are planned for the drill field.

10. It will be considered a serious offense for any cadet to remove, write on, or otherwise deface any notices placed on any official bulletin board on the school grounds.
