VOL 67

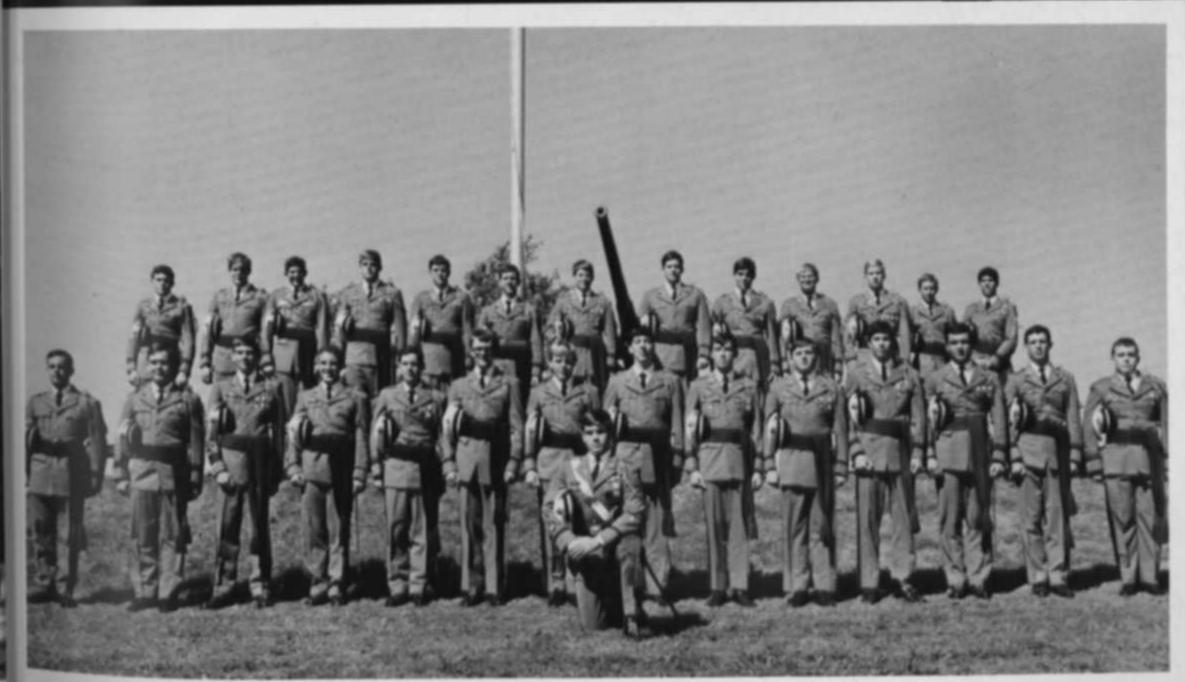

The theme of this yearbook is the life of an SMA cadet. It is particularly around the group of cadets in their last year at the Academy. Consequently, rather than dedicate it to any particular person, it is believed fitting that the 1972 BLUE & GOLD be dedicated to the Class of 1972.

The Editors

Student Life

FAR LEFT: Things getting thick on the asphalt as Sgt.
Mitchell slings his war stories, while the boys try to keep
straight faces.

LEFT: The first day of the 71-72 session finds the early-returning officers processing the new students.

BELOW: Out at drill, Bob Berleue explains to new cadets that the hardest thing about drill is finding a reason for having it.

BELOW RIGHT: Standing guard mount in front of Memorial Hall, the new guard is inspected by John Taylor.

Staunton's Faculty at Their Best?

RIGHT: CPT Ned Bonfoey is eagerly at work watching the wall.

ABOVE: The tears flow in CPT Barclay's class as he tells how he received a C in a graduate course for misspelling Macbeth.

RIGHT: CPT Ward displays his best side while he talks things over with his daughter.

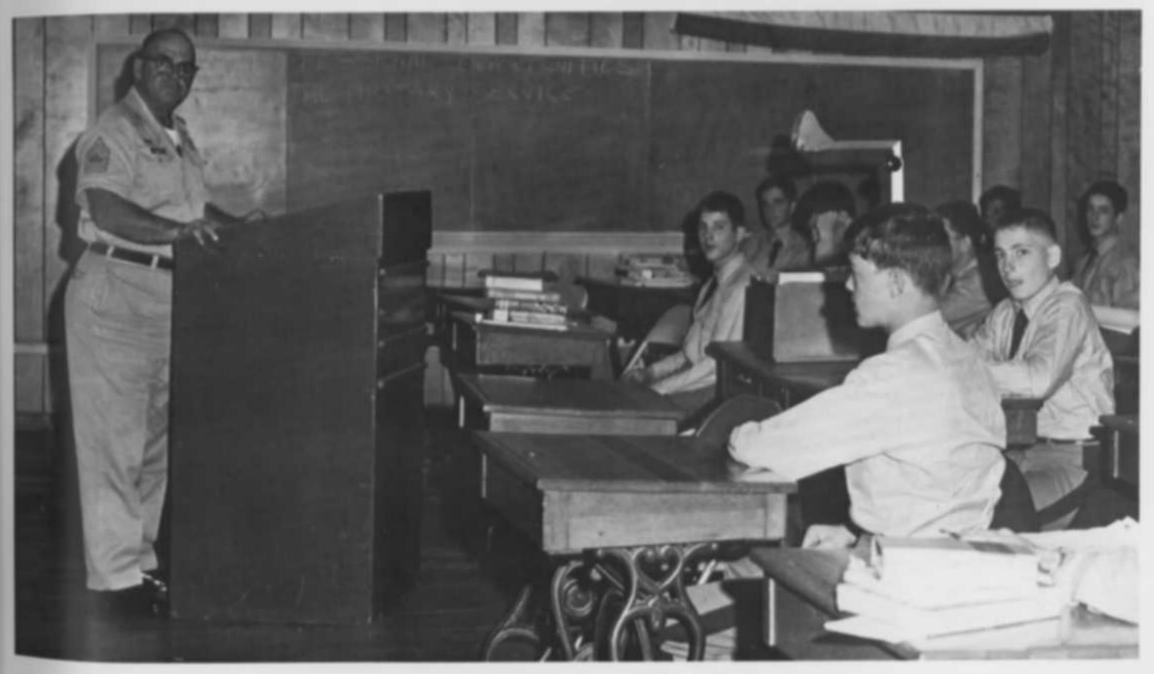

Teachers and Friends

The faculty here at SMA are involved in all the turmoil which evolves around the student body. Many teachers have spent long years here in an effort to educate the cadets who come from around the world. The faculty carry out many duties and incur many headaches trying to develop the high academic standards of the Academy.

IOP LEFT: Resting against his reinforced lectern, Captain Barclay discusses the possibilities of Shakespeare's ghost writers.

TOP RIGHT: With a quiz written on the board, Major Keister hopes to give the freshman class foundations in chemistry needed in future study.

ABOVE: M/Sgt. Gibson, with twenty-six years service, is respected as an authority on fieldstripping the hand grenade by MT-1 students.

RIGHT: On the way to inspect rooms in South Barracks, Capt. Bonfoey assumes the new role of assistant commandant.

BELOW: In typing class Colonel Lander instructs students on the proper methods of using the typewriter.

FAR LEFT: Captain Rolon demonstrates lip positions to all of his Spanish students.

ABOVE: As Major Wease tries to develop the finer points of government, the class proceeds with the Pollard method of study.

LEFT: The Headmaster's office is the first door on your left as you enter the Administration Building. Anyone interested may leave!

BELOW: Preparing a film for class,
Colonel Phillips' personal
experiences in the Far East give
students a chance for more insight
into their subject.

LEFT: Capt. Ward explains the rules of the class to Mike Hawes who feels, that since his feet are cold, they should remain on the radiator.

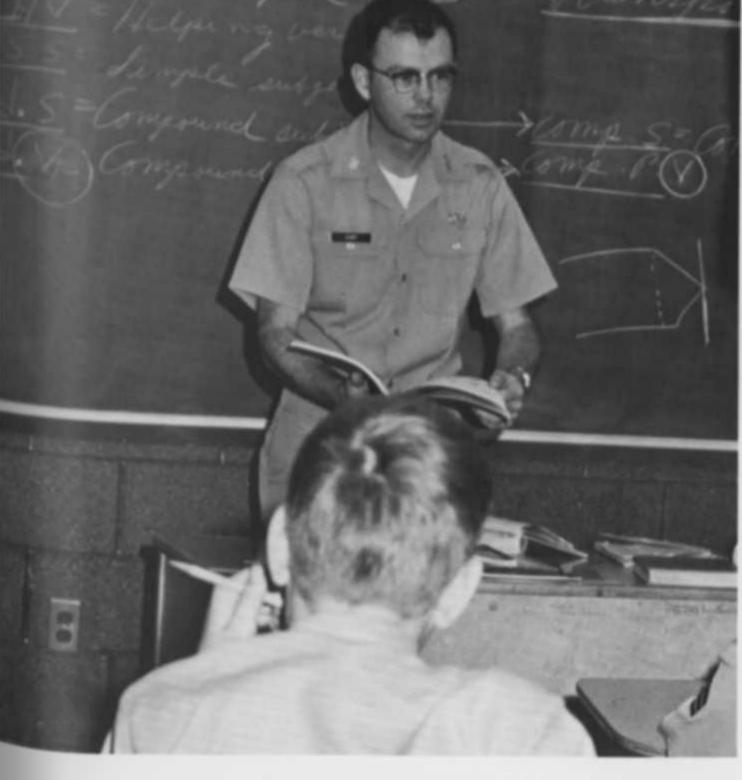

FAR LEFT: Keeping a student's confidence and respect is an important part of teaching. Capt. Thomas does both with his knowledge of geometry and wit.

LEFT: New in the Junior School this year is Major Short, English instructor and Junior School Principal.

ABOVE: Instructing his students in French, Lt. Talbot goes through oral drills.

ABOVE: Taking a test in Capt. Duke's English V class, some students pause to give an unwanted smile.

RIGHT: Major Case teaches the five points of English grammar.

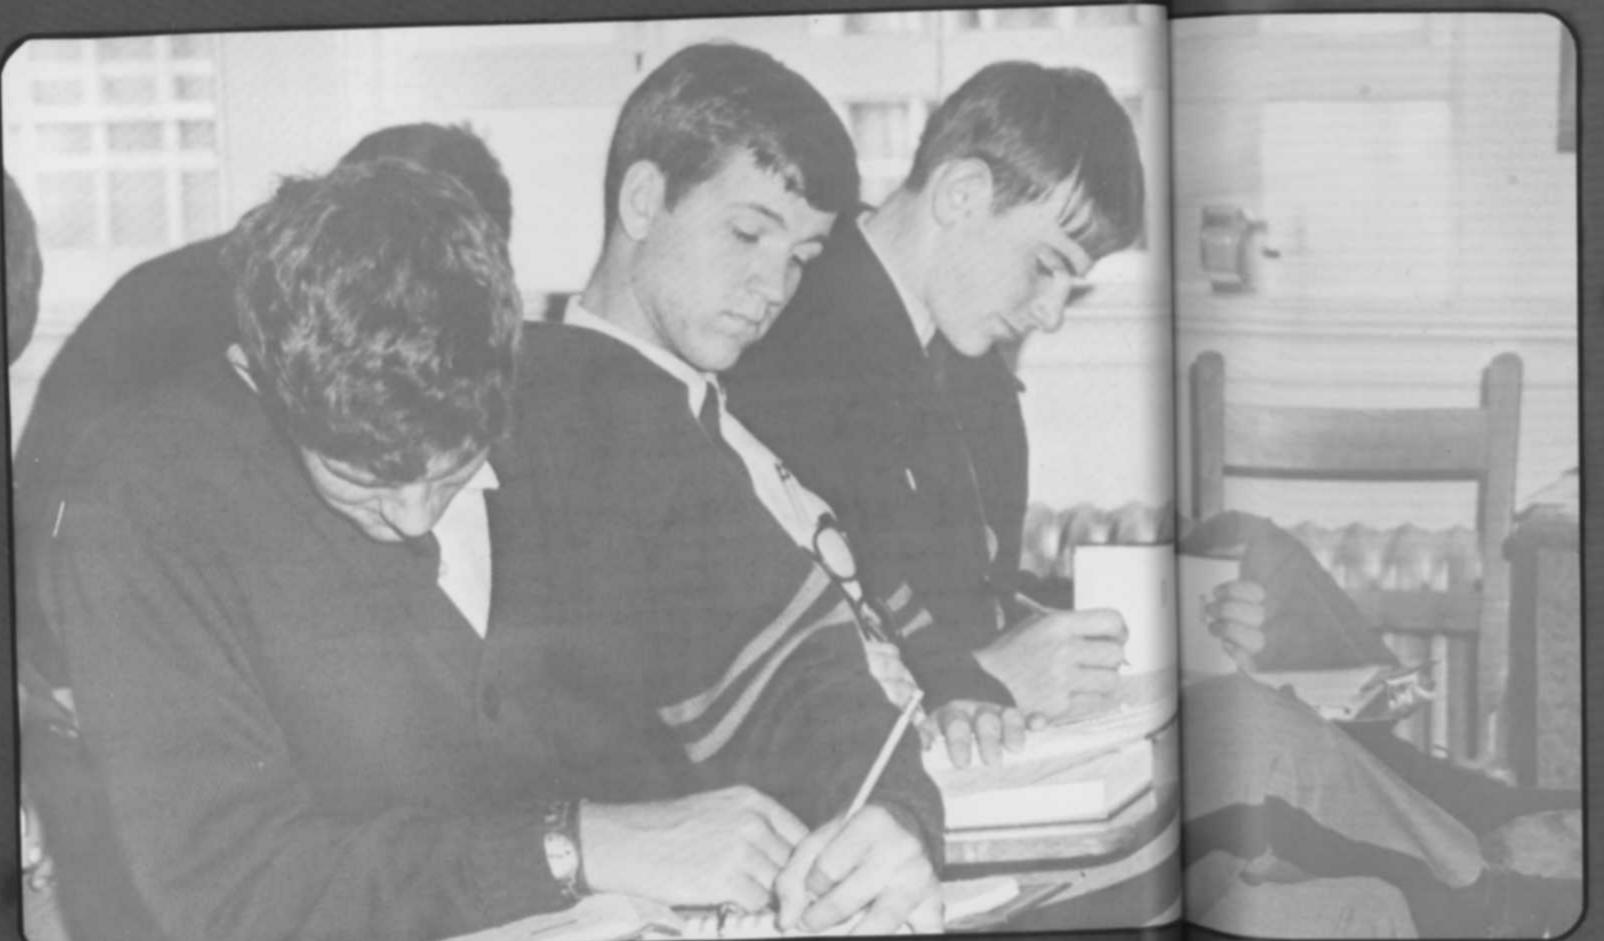

LEFT: In the biology lab Lt. Lowman gives his students an introduction to the cell.

BELOW: Capt. Uveges prepares to begin his daily lecture to a class of Algebra students.

Battalion Staff

This year the battalion staff is composed of six individuals (the battalion commander, executive officer, and the S-1, S-2, S-3, and S-4.) This year the battalion commander is LTC. David Marshall, As First Captain, his responsibilities are the discipline and conduct of the Corps. The executive officer is MAJ. John Taylor. His job is to fill in for the First Captain when the position is vacant. The battalion adjutant is CPT Michael Langley. His responsibilities include the

operations of the guard details, Beat Squad and area police. The S-2 is CPT Mike Allen. He is responsible for the killing of rumors and other such things. The S-3 is CPT Steve Cook. Steve is responsible for the overall training of the Corps of Cadets and for the publication of drill schedules. The S-4 is CPT Mark Dougherty. CPT Dougherty is responsible for the operation of the armory, the medical squad, Color Guard, and the general issuing of uniforms to the cadets throughout the year.

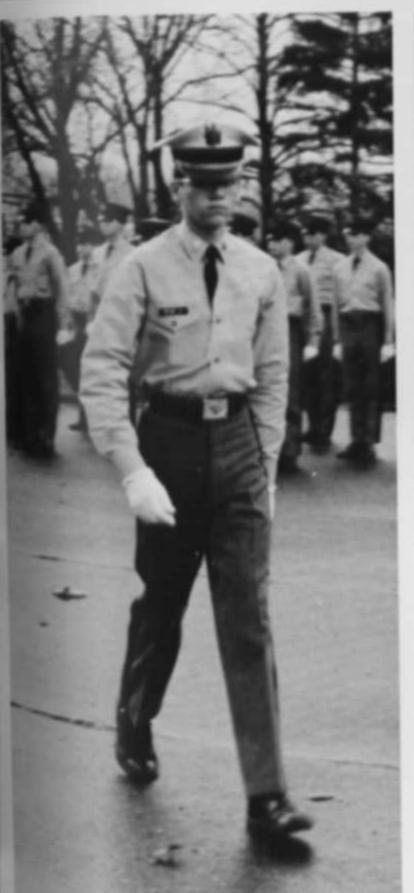

FAR LEFT: David Marshall assumed the task of Corps Commander at Commencement services last year and returned in early September to start work.

Alpha Company

Alpha Company's long standing wish to have a post graduate as a commander finally came true this year when Gregory Speaker returned with hopes for captain. Strutting right along with him are Lt's Williams "Mac" Euliss, "Little John" McKinney and Dave "The Barsh" Barshis. Grover "Puff" Draughon fills the 1SG position; Charlie Graham, a retired Army 1SG, is their tactical officer.

ABOVE: Hey, Mac, take it easy on him, will ya? He's only got forty seven more laps to go!

RIGHT: All right, Grover, we've gone through 'em three times now. Do you think you understand how to do them yet?

BELOW: Lt. Dave Barshis leading Alpha Company during parade.

Charlie Company

Charlie Company began this year commanded by Cadet 1LT, Larry S. Norton, His "partner in crime" was none other than the notorious D. E. "Darr" Barshis. The 1SG is Gleb Moysaenko, and his other accomplices are LT's James "Morroccan" Hall and Pete "La Nez" Georges, both being six year veterans. Charlie Co. was fortunate this year in retaining MSG Glenn E. Gibson as Tactical Officer, under whose evil eye "C" will turn out to be a well-run company

TOP RIGHT: Dirty pants, no haircut no shoe shine . . . and you call yourself a first sergeant, Moysaenko?

ABOVE: Please, oh please, LT Barshis, can't I have my rifle back?

Sports

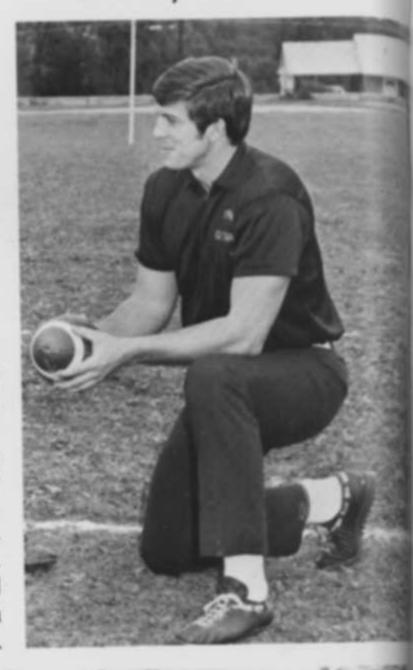

Varsity Football

When the 1971 football season began at SMA, it brought with it PG's from ten different states. With a new head coach and the players from different backgrounds, it was quite difficult to become a close-knit team at first. After the season got started, the team not only became close but started winning football games. Even though the season record was 3-4-1, the Hilltoppers finished second in the VMSL with a 2-1-1 record.

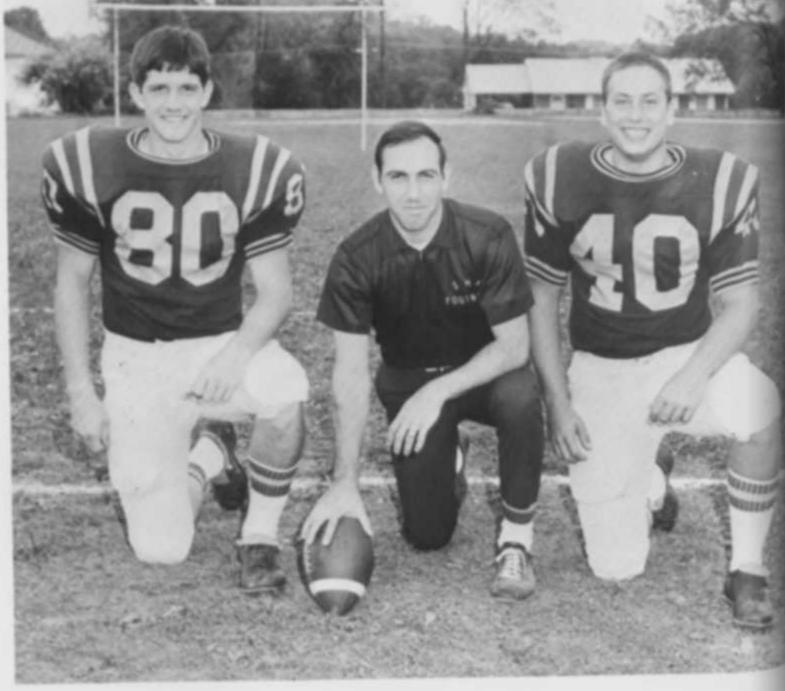

The Hilltoppers had three players to receive All-VMSL honors; they were Louis Parrilla, Doug Thacker, and Frank Sergi. These individuals, combined with the entire team, produced a fine record this season.

Varsity Cross Country

The SMA cross-country team, led by co-captains Paul Thomson and Morgan Bearden, was to show an impressive season as the Roadrunners scored a 10-2 record. Although there were many disappointments, the team usually seemed to pull through with a fine team effort. SMA swept the VMSL championship, taking three of the top five places. The team also outdistanced the local teams by winning the County Invitational meet held here at SMA. However, the state meet proved to be a disaster, as none of the team members ran a good race, coming out in 5th place. This was not a particularly good year for record breaking,

but Paul Thomson did clench the
Riverheads High School course
record and break his brother's
record with a 12:29 over the
rugged SMA course of 2.5 miles.
Randy Tolj had a fine season,
running a 12:45 best time. Gary
Weaver also had a good season,
running a 12:50 best time. Sonny
Major, a sophomore, was
plagued with a knee injury
which hurt him most of the
season.

The team members are very proud of Coach Bonfoey and Coach Cunningham and the team's records. The returning lettermen are Paul Thomson, Sonny Major, Bryant Astles, John Hooser, and Tim Sheel.

Junior Varsity Cross Country

The baby Roadrunners showed their ability by having a winning season of 7-1. The Junior Varsity, led by Bryant Astles and Bruce Crump, captured a second place in the state meet. Bryant Astles, under the coaching of Roy Cunningham, took first place honors in the state meet. He also broke the SMA Junior Varsity record with a fine time of 13:19. This year, as in the past, the varsity basketball team blazed through another successful year of great basketball. Under the guidance and training of coach Pandak and Coach Zerilla, the team was dealt only three losses, all of which were to teams we had beaten the very same year. The Hilltoppers always had that extra endurance to outlast the other teams. The games were never dull. Every game was a game of pressure, stamina, and skill, in all of which SMA excelled. The success of this year's team must be given to the great teamwork by each member on the squad. Together, they worked hard and came out on top with another VMSL championship.

SMA's 1971-1972 Junior Varsity basketball team faced a rough season this year with a 3-11 record. The team showed a great deal of dedication, coached under the watchful eye of Keith Burnett. This year with Tony Disher's screeching drives and Tim Scheel's outside shots, these two were often depended upon greatly. All of the team is fairly young and now has the experience needed to win. They look forward to a new year. This year's starting line up was Tony Disher, Tim Scheel, Gene Ehmann, Ray Fleshman, Carlos Iraheta, Jeff Smith, and Jan Marinus.

"Hilltoppers" Capture the 1971 VMSL Championship

The 1970-71 baseball season was one of the best ever in the eyes of the corps. After many long hours of practice and games, the team walked away with the VMSL championship. Coaches Zerilla and DeMacio had a few returning lettermen and a group of very talented new members. This group together is what brought the 1970-71 VMSL Championship to SMA.

1971 Track

The 1971 track team was to have a glorious season as Coach Cunningham brought the boys to a VMSL championship. The Varsity co-captains Bruce Snyder and John Scheel led the team to an 8-2 season. The Scheel-Thomson combination in the mile-and-a-half proved to be an asset to the team. John and Pem both captured second and third in the state meet. John holds the record of 4:27 in the mile run. Mike Malikowski set the half-mile record along with the quarter mile record with a 1:57 and 50.3 second respectively. The VMSL two-mile was captured by Paul Thomson. Pete Kennedy, Paul Bonanno, Bill Paukovits, and Ronny Corbett were the sprinters, with Bill running a 10 flat hundred to win the VMSL.

The field events were headed up by shot putter Bruce Snyder with a record throw of fifty-five feet. Joe Geosits broke the record by jumping a 12 feet 6 inches in the pole vault, backed up by Danny Belfi with a jump of twelve feet. Roger Haines, our triple jumper, helped win the VMSL championship meet with a jump of thirty-nine feet, nine inches.

Golf Team Captures VMSL

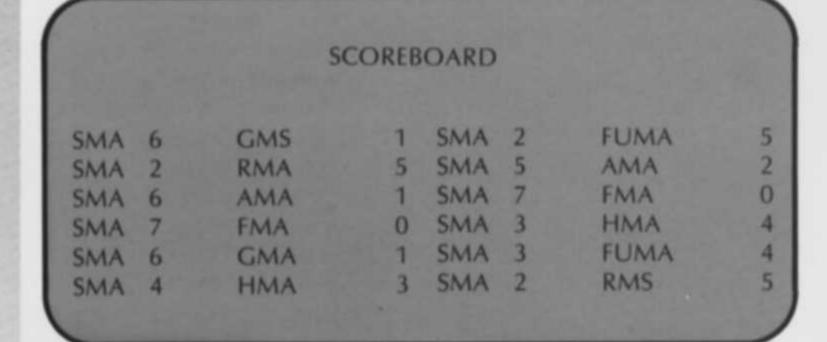

After a successful 7-3 season, shortened by bad weather, the SMA golf team captured the VMSL championship held at Ingleside. Although defeated twice by a strong Hargrave team during the season, the Hilltoppers gained first place in the championship by seven strokes — 323 to Hargrave's — 330.

Tennis

The 1970-71 tennis season was a successful one for the team squad. Under the leadership of Coach Talbot L. Talbot, the team compiled a record of seven wins and five losses. At the end of the season, they were ranked second in the Virginia Military School League behind Fork Union. The team members on the traveling squad were Rick Conover, Mark Beveridge, Randy Latta, Willie Morris, Joe Steele, and Mike Langley. All but Rick Conover and Randy Latta will be back for the 1971-1972 season.

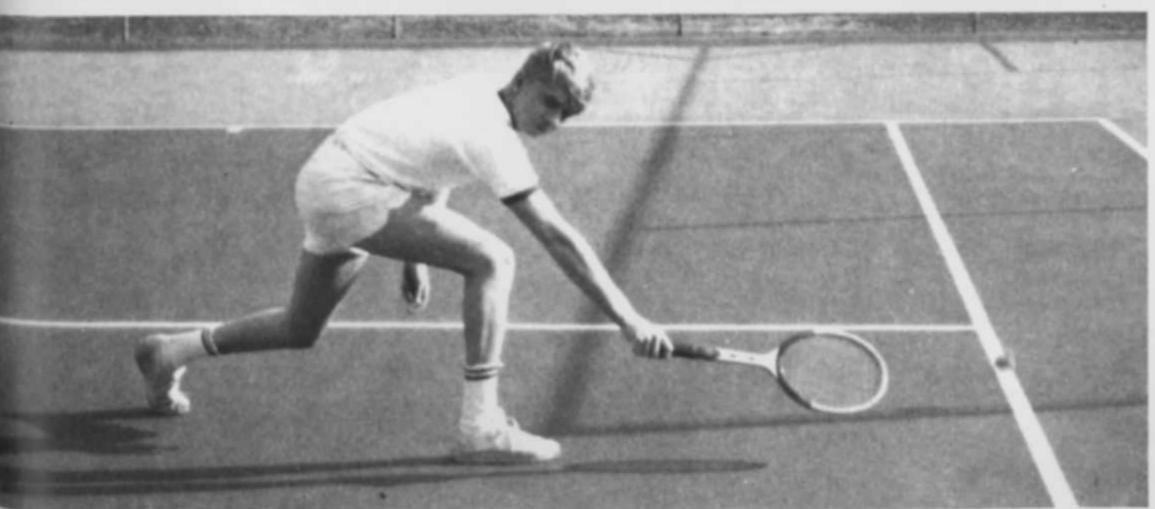

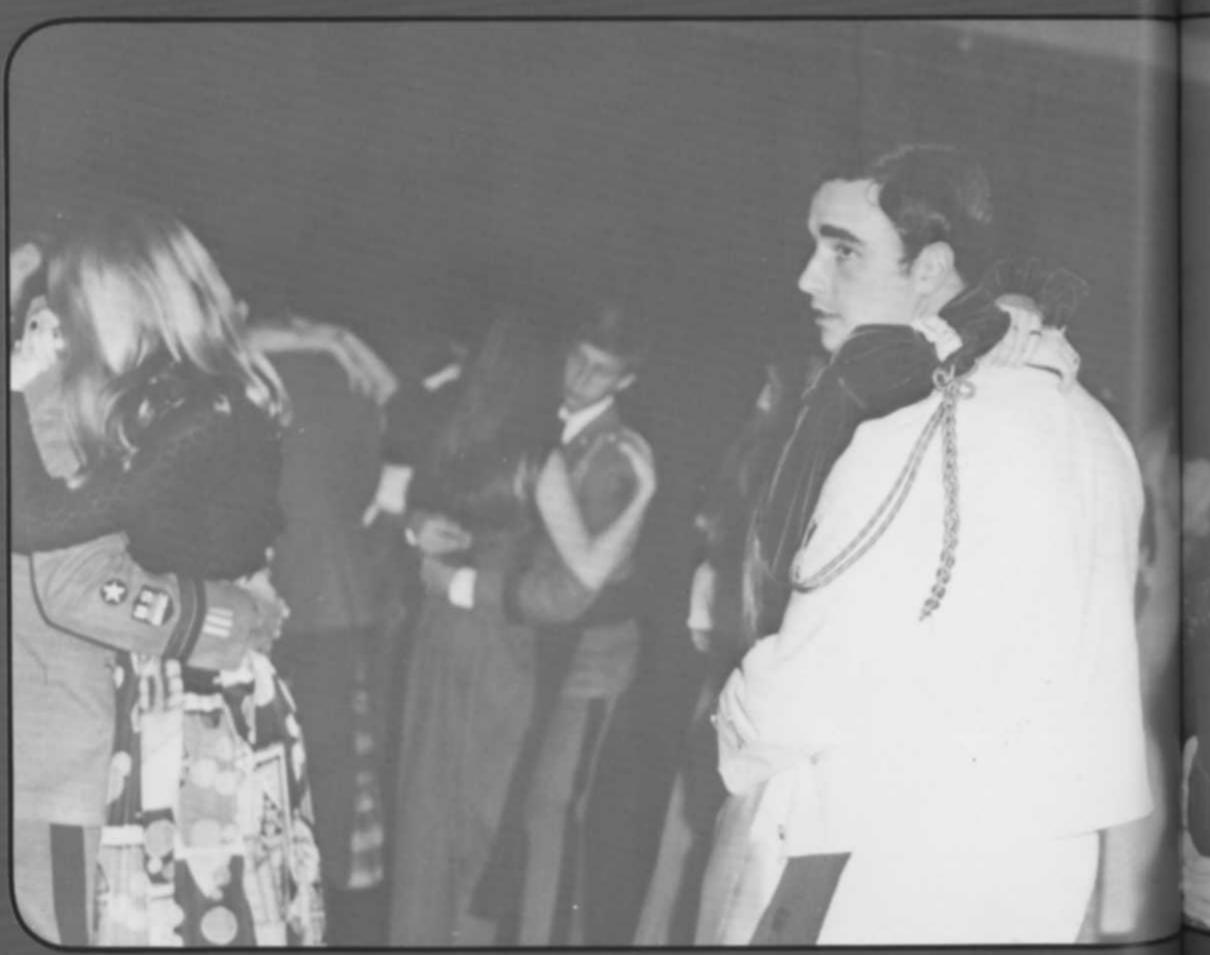

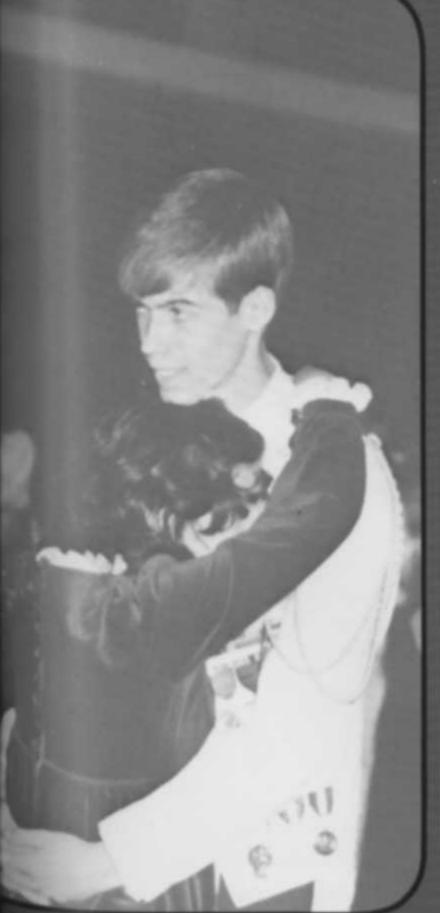

Activities

The Blue and Gold staff is involved with the production of the school's yearbook. Work on the book began soon after school opened. The production of a yearbook requires a great deal of time and money, plus many hours of hard work on the part of the staff. Much of the money used for the book is raised from the selling of ads to local business firms and to the parents of cadets. The editor-in-chief of this year's book is Craig Dunlap who, along with Scott Milgram and several others, has put out this book.

The Kablegram is a tri-weekly newspaper put out by the corps. Members of the staff work diligently and often keep long hours in order to meet the ten deadline dates set per year. The overall head of the paper is Robert E. Thomas, whose job as editor-in-chief is to run the paper by coordinating the activities of his assistant editors. Managing editor Richard Pauly handles the paper layouts and titles. News, sports, and features columns are run by John Weitzel, Mark Beveridge, and Walter Hurst. Circulation and distribution are the job of Gustavo Suraez, and typing is handled by Mike Baiden. Integral sections of the paper, cartoons and photography, are capably manned by Dave Barshis and John Hildebrand.

Senior Class Officers

The Class of 1972 consists of eighty-one cadets. The class, even though it is small in size, is a reasonably good one. The senior class officers this year are John Taylor, Joe Steele, Bob Thomas, and Jeff Grissinger. They were elected before Christmas in a run-off election. The officers have accomplished a great deal this year, such as a senior lounge and early senior privileges.

Science Club

Members of the Science Club are selected each year at the end of the first six-weeks grading period. Candidates, who are from all grade levels, are recommended by their science instructors and must have a minimum average of 85%, fine character, and good military standing.

The old members of the Science
Club select new members from
the list of candidates turned in
by the instructors. Membership
is limited to twenty-five
members, and all members must
be on the Headmaster's List. Each
year the Science Club
participates in field trips and
lectures given by guest speakers.

The Explorers Club

Explorer Post No. 64 was re-charted this year at SMA. Under the leadership of CPT Talbot, the club managed to attend almost all of the 1972 Shenandoah camporees in the Staunton vicinity.

All of Post 64's members have had at least four years of Scouting behind them, and all are knowledgeable campers and woodsmen. Many have attained the rank of Eagle, and most have also been inducted into the National Brotherhood of Honor

Scouts, the Order of the Arrow.

Post officers are Walter Hurst,

president; Greg Speaker, vice

president; and Walter Kurre,

secretary-treasurer.

The purpose of the Junior Classical League is to preserve the classics in modern-day academics. Under the supervision of LTC Walter M. McCracken, the Junior Classical League has flourished as an important aspect of foreign language at SMA.

Club members are able to better their knowledge of the ancient ways and customs. Through the past days, and the days to come, they pledge to carry the torch of classical civilization into the modern world. The Junior Classical League

The Cotillion Club Is in Charge of All the Social Functions at SMA

The Cotillion Club is the heart of all large social functions at SMA.

Membership in this organization is open to the entire corps; officers are appointed by returning key members from the previous year.

Each officer has a committee to which he is appointed. The Cotillion Club is responsible for all dances, decorations, invitations, refreshments, and bands. CPT E. M.

Bonfoey, Jr., is faculty advisor to the group this year.

BACK ROW: Paul Thomson, Mario Julia, David Marshall, Joe Steele, John Taylor, Randy Edrington. FRONT ROW: Richard Pauly, Francis Wullenwaber, Larry Norton, Gleb Moysaenko, Greg Speaker.

LEFT: John, whatever it was that you put in the punch sure is mighty tasty.

1972 Senior Ring Figure

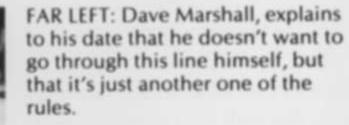

FAR LEFT: Jeff Grissinger receives from his date one of the things he has been waiting for, his senior ring.

LEFT: You wait till I get my hands on that guy that got me this date, he said that she was something else; he was right.

LEFT: Notice the feet in this picture, no one seems to be doing too much dancing.

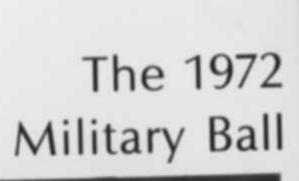

LEFT: John, if you stick me with that pin one more time, I'm going to . . .

A cadet has a few things to look forward to in his senior year; one of the most important is the Senior Ring Figure. This is where the cadet receives his senior ring from his escort. Even though many rings change hands during the night, it is a very special event. The senior class officers headed the figure, as SMA's graduating class went through its paces.

LEFT: CPT Rich Pauly receives his traditional kiss under the arch.

LEFT: Members of the Cotillion Club take their places in line as the walk through the procession.

BELOW: Gen. Lobdell was the guest of honor in the receiving line at this year's ball.

For most of us, the Military Ball came and went too quickly. The music was supplied by Bitsy and the Bitz and Pieces in their second appearance. Many old and familiar acquaintances were brought together on this night, along with some new and refreshing ones. The officers' figure was the highlight of the Ball; the kiss under the arch is always a big event. This March 4th will be remembered by everyone who was in attendance.

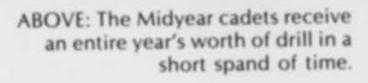

LEFT: Dave Marshall, was the first cadet to pass under the Arch of Sabers, which is the final event of the evening.

Midyear Cadets

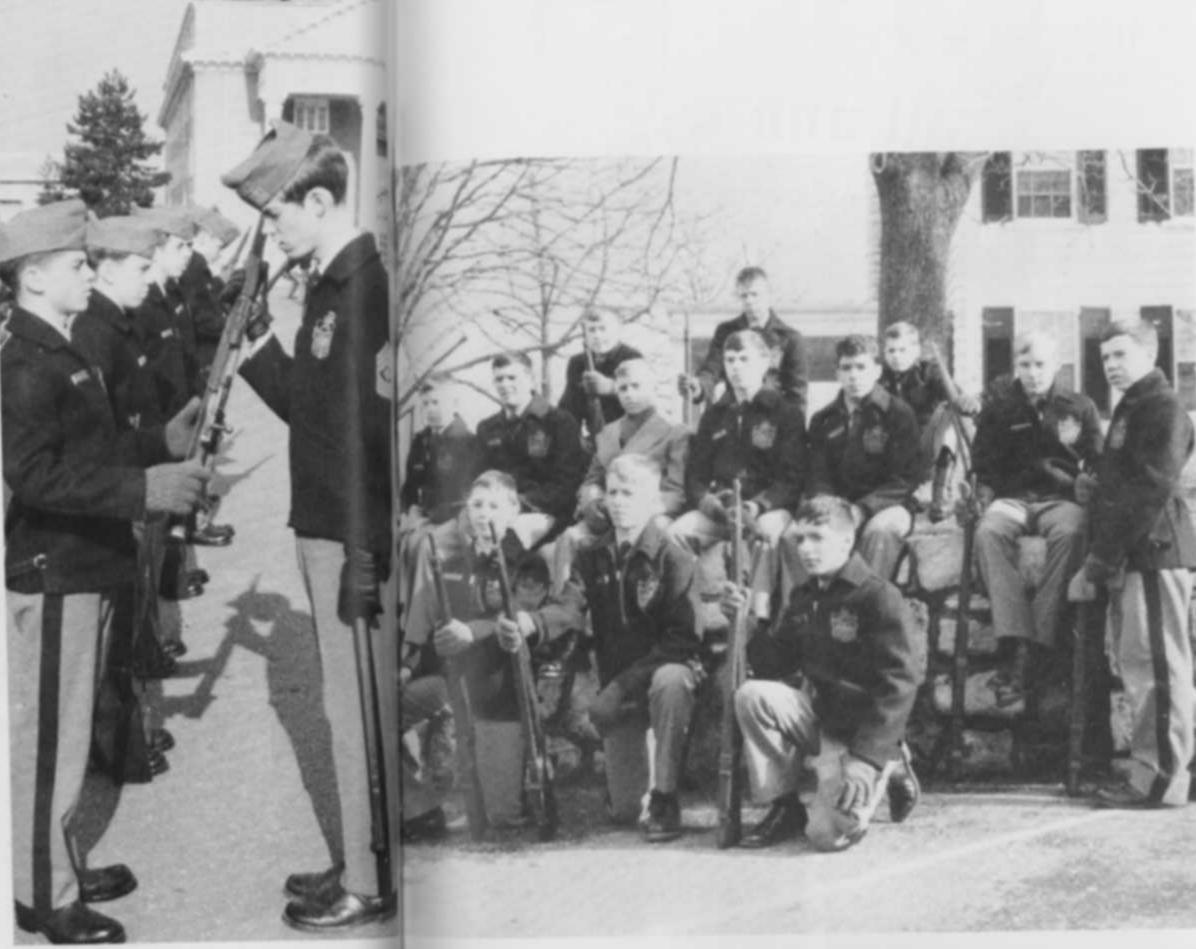

The Midyears are cadets who enroll in the Academy after the first semester. Upon entry, they must learn everything which was taught to the cadets who entered at the first of the year within a couple of weeks. Headquarters Co. is in charge of the mid-years during the first couple of weeks before they are allowed to enter a regular company.

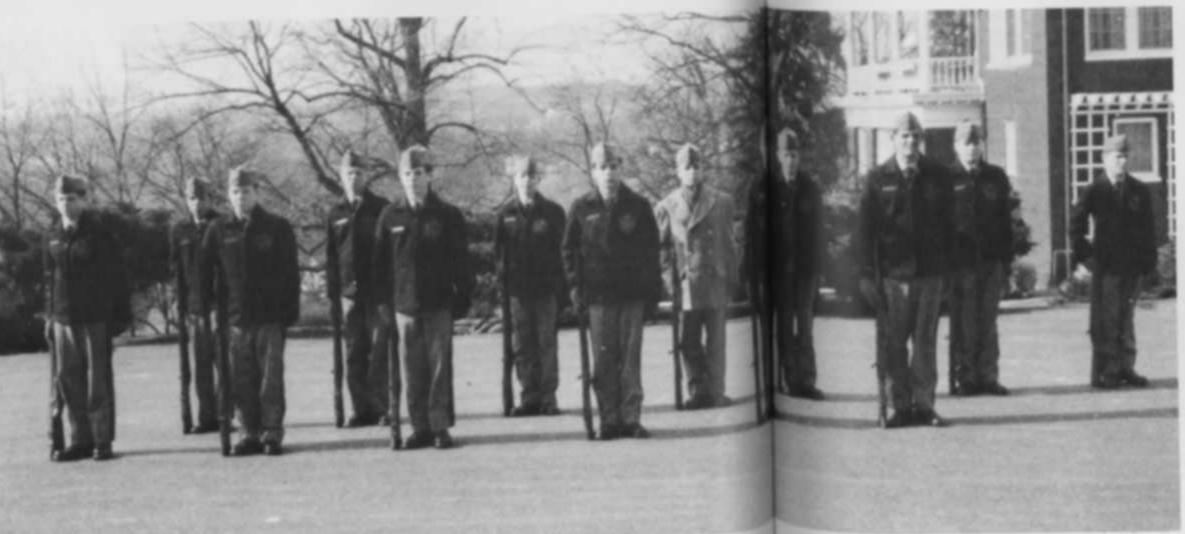

LEFT: Headquarters ISG Paul Thomson is in charge of all drill.

RIGHT: One little, two little, three little Indians; four little, five little, six little midyears . . .

LEFT: Learning all the rifle excercises is one of the hardships which these new cadets are faced with learning.

The 1971 Alpha Society

BELOW: Dr. Patricia Menk, Professor of History at Mary Baldwin College, addressed the corps of cadets at the fall installation of members into the Alpha Society.

The Alpha Society is the Academy's most prominent organization. Its purpose is to recognize and honor those seniors, who, during their junior year, achieve excellence in the areas of scholarship, leadership, service, and character.

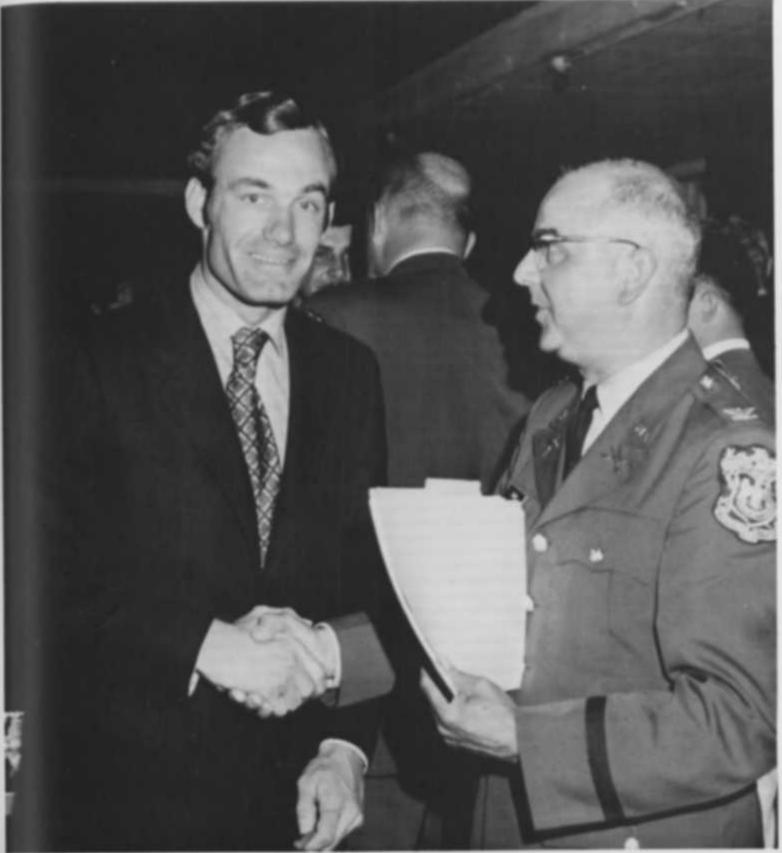

To be eligible for membership, a student must have achieved a minimum academic average of 88 per cent for his junior year, and he must maintain an accumulative average of such during his senior year. The student must also have demonstrated recognizable qualities of leadership, service, and character. The appointment of members to the society is made by a staff and faculty committee designated by the Headmaster.

Stuart Hall this year, as it has been in the past, is one of the nation's finest girls college preparatory schools. Resting off the hill just below SMA, the school has been a favorite dating spot for cadets. With the hard backhand of Headmistress Martha Dabney Jones, the school and the girls all stay in order. All of us girls at Stuart Hall wish all you boys at SMA the best of luck in '72.

Tomorrow has a funny way of sneaking up on you.

The way you live tomorrow depends a lot on where you bank today. So, you'd better be prepared. You'd better have a bank that understands the way you live today. One that includes financial counseling for young families and young people. The people at First Virginia talk the language of banking, that's good for you. We also talk the language of today. That's good for us. Because it helps us to help you get by financially in a very tough world.

A First Virginia checking account is another good way to put the future on a sound financial basis. Checking lets you keep your money in a safe place, our bank. It also helps you keep track of where your money goes, where it's spent, and to top it off, First Virginia Bank provides Free Checking to students. Just another way First Virginia helps make your tomorrow a little easier, by providing banking for the way you live today.
